Slanted Publishers publishes special issues dedicated to a certain topic as an addition to the regular frequency of Slanted magazine. The special issues have the same format like the regular ones, but are more specific and therefore have a smaller print run because they are only distributed directly and not via the big distributors.

The special issues are perfect for you if you want to advertise to our specific readership and if you don't need to have a coverage at airport and stations.

slanted conferences

In 2014, 2015, and 2016 Slanted conferences took place at the University of Arts and Design Karlsruhe and at the University of Applied Arts and Sciences Dortmund, Germany.

Designers and artists from Switzerland, Paris, and Warsaw gave insights in their work and life and shared their thoughts with a creative audience.

Thanks to the support of great partners from the industry, these events have been possible.
